RE: TRAVEL POLICIES AND PROCEDURES

Below is a summary of the new travel regulation additions, changes, and clarifications that have been made in the travel policy for fiscal year 2013-2014. As always, this is just a summary, as PPM49 should always be reviewed in its entirety each year.

### **Key Additions/Changes/Clarifications to PPM49:**

#### **S1503.B.2.b. FUNDS FOR TRAVEL EXPENSES**

##### **Changes have been made under cash advances, section 2b**

State employees who accompany and/or are responsible for students or athletes for group travel advance. Note: In this case and in regards to meals, where there is group travel advancements, a roster with signatures of each group member along with the amount of funds received by each group member, may be substituted for individual receipts. (This does not apply when given for only an individual employee's travel which is over the group.)

#### **S1504.C MOTOR VEHICLE**

##### **Changes have been made regarding student use of state-owned and rental vehicles from Office of Risk Management**

Students not employed by the State shall not be authorized to drive state-owned or rented vehicles for use on official state business. A student may be deemed as an "authorized traveler" on behalf of the State by the Department Head or his designee to operate or travel in a state-owned or rented vehicle on official state business. The hold harmless agreement form acknowledging the fact that the state assumes no liability for any loss, injury, or death resulting from said travel must be signed as part of the approval process. A centralized file must be kept containing all of these approvals.

#### **S1504.C.2 & 3 MOTOR VEHICLE; PERSONALLY OWNED AND RENTED**

Changes have been made throughout these sections to incorporate the Commissioner's requirements in the letter dated January 31, 2013 regarding personal mileage reimbursement over 99 miles.

Addition was also added in these sections which would exempt students from obtaining approval from the Commissioner to be reimbursed for actual mileage.

#### **S1504.C.3.c OUT-OF-STATE VEHICLE RENTAL**

Changes have been made which make all out-of-state contracts MANDATORY. Any person which is being reimbursed by the State of Louisiana for travel must use one of the three contracted vendors; Enterprise, National or Hertz.

#### **1506. C. MEAL AND LODGING ALLOWANCES**

Changes have been made to Tier III lodging, reducing the maximum allowance to \$120 per night.

#### **1506. A.3 LODGING AND MEALS; ELIGIBILITY; OFFICIAL DOMICILE/TEMPORARY ASSIGNMENT**

Addition has been made which would exempt students from obtaining approval from the Commissioner when traveling under certain circumstances.

The only exemption, for travel of 31 days or more, which does not require the Commissioner of Administration's approval, are students, professors or other state employees which are traveling on a grant, scholarship, studying aboard or any other occasion where funds utilized are other than state general funds. Department Head approval is required.

#### **1509. D SPECIAL MEALS; REPORTING**

Changes have been made to the reporting requirement. All special meals shall be reported on a quarterly basis, not semi-annual as previously required. Remember the reports must be in the format outlined in this section.

1. Name and position/title of the state officer or employee requesting authority to incur expenses and assuming responsibility for such.
2. Clear justification of the necessity and appropriateness of the request.
3. Names, official titles or affiliations of all persons for whom reimbursement of meal expenses is being requested;
4. Statement that allowances for meal reimbursement according to these regulations will be followed unless specific approval is received from the Commissioner of Administration to exceed this reimbursement limitation.
  - a. All of the following must be reviewed and approved by the Department Head or his/her designee prior to reimbursement.
  - b. Detailed breakdown of all expenses incurred, with appropriate receipts(s);
  - c. Subtraction of cost of any alcoholic beverages.

Remember, employees should be trained at time of hiring as well as refresher classes conducted at least once a year. The Office of State Travel offers many levels of travel training and will be glad to assist any agency with the training of your staff to ensure your employees are in compliance with travel regulations. If you are interested in training classes for your staff, please contact the State Travel Office to set up dates and times.

Employees traveling on behalf of the State are expected to comply with this state travel policy (PPM49). Thank you for your cooperation.

## **POLICY AND PROCEDURE MEMORANDUM 49**

### **S1501. AUTHORIZATION AND LEGAL BASIS**

- A. Three copies of such regulations shall be submitted for prior review and approval by the Commissioner of Administration. One of the copies shall highlight any exceptions/deviations to PPM49.
2. Department and Agency Heads will take whatever actions necessary to minimize all travel to carry on the department mission.
3. Contracted Travel Services. The state has contracted for travel agency services, which use is mandatory for airfare, unless exemptions have been granted by the Division of Administration, Office of State Travel, prior to purchasing airfare tickets. The contracted travel agency has an online booking system which can and should be used by all travelers for booking airfare. Use of the online booking systems can drastically reduce the cost paid per transaction and state travelers are strongly encouraged to utilize.

4. When a state agency enters into a contract with an out-of-state public entity, the out-of-state public entity may have the authority to conduct any related travel in accordance with their published travel regulations.
5. Authorization to Travel
  - a. All non-routine travel must be authorized and approved in writing by the head of the department, board, or commission from whose funds the traveler is paid. A Department Head may delegate this authority in writing to one designated person. Additional persons within a department may be designated with approval from the Commissioner of Administration. A file shall be maintained, by the agency, on all approved travel authorizations.
  - b. Annual travel authorizations are no longer a mandatory requirement of PPM49 for routine travel, however, an agency can continue to utilize this process if determined to be in your department's best interest. A travel authorization is still required for non-routine meetings, conferences and out-of-state travel.

## **B. FUNDS FOR TRAVEL EXPENSES**

1. Persons traveling on official business will provide themselves with sufficient funds for all routine travel expenses not covered by the Corporate Travel Card, LaCarte Purchasing Card, if applicable, and/or agency's CBA account. Advance of funds for travel shall be made only for extraordinary travel and should be punctually repaid when submitting the travel expense form covering the related travel, no later than the fifteenth day of the month following the completion of travel.

  - a. State employee whose salary is less than \$30,000/year.
  - b. State employees who accompany and/or are responsible for students or athletes for group travel advance. Note: In this case and in regards to meals, where there is group travel advancements, a roster with signatures of each group member along with the amount of funds received by each group member, may be substituted for individual receipts. (This exception does not apply when given for only an individual employee's travel which is over a group.)
  - c. State employees who accompany and/or are responsible for client travel.
  - d. New employee who has not had time to apply for and receive the state's corporate travel card.
  - e. Employees traveling for extending periods, defined as a period exceeding 30 or more consecutive days.
  - f. Employees traveling to remote destinations in foreign countries, such as jungles, of Peru or Bolivia.
  - g. Lodging purchase, if hotel(s) will not allow direct bill or charges to agency's CBA and whose salary is less than \$30,000/year.

  - i. Any ticket booked by a traveler 30 days or more in advance and for which the traveler has been billed, may be reimbursed by the agency to the traveler on a preliminary expense reimbursement request. The traveler should submit the request with a copy of the bill or invoice. Passenger airfare receipts are required for reimbursement.
  - j. Employees who infrequently travel or travelers that incur significant out-of-pocket cash expenditures and whose salary is less than \$30,000/year.
3. Expenses incurred on State Business. Traveling expenses of travelers shall be limited to those expenses necessarily incurred by them in the performance of a public purpose authorized by law to be performed by the agency and must be within the limitations prescribed herein.
  4. CBA (CONTROLLED BILLED ACCOUNT) issued in an agency's name, and paid by the agency, and may be used for airfare, registration, rental cars, **prepaid** shuttle charges, lodging and any allowable lodging associated charges such as parking and internet charges. Other credit cards issued in the name of the state agency are not to be used without written approval.
  5. **NO REIMBURSEMENT WHEN NO COST INCURRED BY TRAVELER.** This includes but is not limited to reimbursements for any lodging and/or meals furnished at a state institution or other state agency, or furnished by any other party at no cost to the traveler. In no case will a traveler be allowed mileage or transportation when he/she is gratuitously transported by another person.

#### **C. CLAIMS FOR REIMBURSEMENT**

1. All claims for reimbursement for travel shall be submitted on the State's Travel Expense Form BA-12, unless exception has been granted by the Commissioner of Administration, and shall include all details provided for on the form. It must be signed by the person claiming reimbursement and approved by his/her immediate supervisor. In all cases the date and hour of departure from and return to domicile must be shown, along with each final destination throughout the trip clearly defined on the form. On the State's Travel Authorization Form GF-4, the second page must be completed with the breakdown of the estimated travel expenses. This is necessary for every trip, not just when requesting a travel advance. For every travel authorization request, the purpose of the trip for travel must be stated in the space provided on the front of the form.
2. Except where the cost of air transportation, registration, lodging, rental vehicles, shuttle service, and all other allowable charges outlined in the current State of Louisiana State Liability Travel and CBA policy are invoiced directly to the agency, or charged to a state liability card, any and all expenses incurred on any official trip shall be paid by the traveler and his/her travel expense form shall show all such expenses in

detail so that the total cost of the trip shall be reflected on the travel expense form. If the cost of the expenses listed above are paid directly or charged directly to the agency/department, a notation will be indicated on the travel expense form indicating the date of travel, destination, amount, and the fact that it has been paid by the agency/department. The traveler's copy of the receipts, for all items charged or billed direct to the agency, is required.

3. In all cases, and under any travel status, cost of meals shall be paid by the traveler and claimed on the travel expense form for reimbursement, and not charged to the state department, unless otherwise authorized by the Department Head or his/her designee, allowed under the State Liability Travel, CBA and/or LaCarte Purchasing Card Policy, or with written approval from State Travel Office. A file must be kept containing all of these special approvals.
4. Claims should be submitted within the month following the travel, but preferably held until a reimbursement of a least \$25.00 is due. Department Heads, at their discretion, may make the 30 day submittal mandatory on a department wide basis.
5. Any person who submits a claim pursuant to these regulations and who willfully makes and subscribes to any claim which he/she does not believe to be true and correct as to every material matter, or who willfully aids or assists in, or procures, counsels or advises the preparation of presentation of a claim, which is fraudulent or is false as to any material matter shall be guilty of official misconduct. Whoever shall receive an allowance or reimbursement by means of a false claim shall be subject to serve disciplinary action as well as being criminally and civilly liable within the provisions of state law.
6. Agencies are required to reimburse travel in an expeditious manner. In no case shall reimbursements require more than thirty (30) days to process from receipt of complete, proper travel documentation.

#### **S1504. METHODS OF TRANSPORTATION**

##### **A. Cost-effective transportation**

The most cost-effective method of transportation that will accomplish the purpose of the travel shall be selected. Among the factors to be considered should be length of travel time, employee's salary, cost of operation of a vehicle, cost and availability of common carrier services, etc. Common carrier shall be used for out-of-state travel unless it is documented that utilization of another method of travel is more cost efficient or practical and approved in accordance with these regulations.

##### **B. Air**

1. **Private Owned or Charter Planes** Before travel by privately-owned or by chartered aircraft is authorized for individual's travel by a department head, the traveler shall

certify that: (1) at least two hours of working time will be saved by such travel; and (2) no other form of transportation, such as commercial air travel or a state plane, will serve this same purpose.

- a. Chartering a privately owned aircraft must be in accordance with the Procurement Code.
- b. Reimbursement for use of a chartered or un-chartered privately owned aircraft under the above guidelines will be made on the following basis:
  - i. At the rate of \$1.29 cents per mile; or
  - ii. At the lesser of coach economy airfare.

If there are extenuating circumstances requiring reimbursement for other than listed above, approval must be granted by the Commissioner of Administration.

- c. When common carrier services are unavailable and time is at a premium, travel via state aircraft shall be investigated and such investigation shall be documented and readily available in the department's travel reimbursement files. Optimum utilization will be the responsibility of the department head.
2. **Commercial Airlines:** (Receipts required) All state travelers are to purchase commercial airline tickets through the state contracted travel agency (see front cover for contract travel agency contact numbers). This requirement is mandatory unless approval is granted from Office of State Travel. (In the event travelers seek approval to go outside the travel agency, they shall submit their request through their agency travel program administrator, who will determine if the request should be submitted to the Office of State Travel).

While state contractors are not required to use the state's contracted travel agency when purchasing airfare, it will be the agency's responsibility to monitor cost ensuring that the contractor(s) are purchasing the lowest, most logical airfare.

The State always supports purchasing the best value ticket. Therefore once all rates are received, the traveler must compare cost and options to determine which fare would be the best value ticket for their trip. To make this determination, the traveler must ask the question: Is there a likelihood my itinerary could change or be cancelled? Depending on the response, the traveler must determine if the costs associated with changing a non-refundable ticket, usually around \$200 would still be the best value.

Another factor, to assist having a travel agent search the lowest fare, is advising the agent if the traveler is flexible in either dates or time of travel. By informing the travel agent of your window of time for your departure and return will assist them to search for the best price.

- a. Travelers are to seek airfare allowing an ample amount of lead time prior to departure date. The lead-time should be about (10) ten to (14) fourteen days in advance of travel dates to ensure the lowest fares are available.
- b. Commercial air travel will not be reimbursed in excess of lowest logical airfare when it has been determined to be the best value (receipts required). The difference between coach/economy class rates and first class or business class rates will be paid by the traveler. Upgrades at the expense of the State are **NOT** permitted, without prior approval from the Commissioner of Administration. If space is not available in less than first or business class air accommodations in time to carry out the purpose of the travel, the traveler will secure a certification from the airline or contracted travel agency indicating this fact. The certification is required for travel reimbursement.
- c. The policy regarding airfare penalties is that the state will pay for the airfare and/or penalty incurred for a change in plans or cancellation when the change or cancellation is required by the State or other unavoidable situations approved by the agency's Department Head. Justification for the change or cancellation by the traveler's department head is required on the travel expense form.
- d. When an international flight segment is more than 10 hours in duration, the state will allow the business class rate not to exceed 10% percent of the coach rate. The traveler's itinerary provided by the travel agency must document the flight segment as more than 10 hours and must be attached to the travel expense form.
- e. A lost airline ticket is the responsibility of the person to whom the ticket was issued. The airline fee of searching and refunding lost tickets will be charged to the traveler. The difference between the prepaid amount and the amount refunded by the airlines must be paid by the employee.
- f. If companion fares are purchased for a state employee and non-state employee, the reimbursement to the state employee will be the amount of the lowest logical fare.
- g. Traveler is to use the lowest logical airfare whether the plane is a prop or a jet.
- h. Employees may retain promotional items, including frequent flyers miles, earned on official state travel. However, if an employee makes travel arrangements that favor a preferred airline/supplier to receive promotional items/points and this circumvents purchasing the most economical means of travel, they are in violation of this travel policy. Costs for travel arrangements subjects to this violation are non-reimbursable.
- i. When making airline reservation for a conference, let the travel agent know that certain airlines have been designated as the official carrier for the conference. In many instances, the conference registration form specifies that certain airlines have

been designated as the official carrier offering discount rates, if available. If so, giving this information to our contracted agency could result in them securing that rate for your travel.

- j. Tickets which are unused by a traveler should always be monitored by the traveler and the agency. Traveler should ensure that any unused ticket is considered when planning future travel arrangements. Some airlines have a policy which would allow for a name change to another employee within the agency. A view of the latest airline policies regarding unused tickets are available at the State Travel Office's website <http://www.doa.louisiana.gov/osp/travel/airfare.htm>.

### **C. Motor Vehicle**

No vehicle may be operated in violation of state or local laws. No traveler may operate a vehicle without having in his/her possession a valid U.S. driver's license. Safety restraints shall be used by the driver and passengers of vehicles. All accidents, major and minor, shall be reported first to the local police department or appropriate law enforcement agency. In addition, an accident report form, available from the Office of Risk Management (ORM) of the Division of Administration should be completed as soon as possible and must be returned to ORM, together with names and addresses of principals and witnesses.

Any questions about this should be addressed to the Office of Risk Management of the Division of Administration. These reports shall be in addition to reporting the accident to the Department of Public Safety as required by law.

Operating a state-owned vehicle, state-rented vehicle or state leased vehicle or operating a non state-owned vehicle for business while intoxicated as set forth in R.S. 14:98 and 14:98.1 is strictly prohibited, unauthorized, and expressly violates the terms and conditions of use of said vehicle. In the event such operation results in the employee being convicted of, pleading nolo contendere to, or pleading guilty to, driving while intoxicated under R.S. 14:98 or 14:98.1, such would constitute evidence of the employee:

1. Violating the terms and conditions of use of said vehicle
2. Violating the direction of his/her employer, and
3. Acting beyond the course and scope of his/her employment with the State of Louisiana.

Personal use of a state-owned, state-rented or state-leased vehicle is not permitted.

No person may be authorized to operate or travel in a state owned or rental vehicle unless that person is a classified or unclassified employee of the State of Louisiana; any duly appointed member of a state board, commission, or advisory council; or any other person who has received specific approval, and is deemed as an authorized traveler, on behalf of the State, from the Department Head or his designee to operate or travel in a fleet vehicle on official state business. A file must be kept containing all of these approvals.

Any persons who are not official state employees must sign a Hold Harmless Agreement form, located at the Office of State Travel's website, <http://www.doa.louisiana.gov/osp/travel/forms.htm> prior to riding in or driving a state-owned vehicle or rental vehicle on behalf of the State. Each agency is responsible in ensuring that this along with any other necessary documents and requirements are completed and made part of the travel file prior to travel dates.

Students not employed by the State shall not be authorized to drive state-owned or rented vehicles for use on official state business. A student may be deemed as an "authorized traveler" on behalf of the State by the Department Head or his designee to operate or travel in a state-owned or rented vehicle on official state business. The hold harmless agreement form acknowledging the fact that the state assumes no liability for any loss, injury, or death resulting from said travel must be signed as part of the approval process. A file must be kept containing all of these approvals.

Persons operating a state owned rental or personal vehicle on official state business will be completely responsible for all traffic, driving and parking violations received. This does not include state-owned or rental vehicle violations, i.e. inspection sticker, as the State and/or rental company would be liable for any cost associated with these types of violations.

#### **1. State-Owned Vehicles**

- a. Travelers in state-owned automobiles who purchase needed fuel, repairs and equipment while on travel status shall make use of all fleet discount allowances and state bulk purchasing contracts where applicable. Reimbursements require a receipt and only regular unleaded gasoline, or diesel when applicable, should be used. This applies for both state owned vehicles and rental vehicles, as mid-grade, super, plus or premium gasoline is typically not necessary. Each agency/department shall familiarize itself with the existence of the fuel/repair contract(s), terms and conditions as well as locations of vendors.
- b. State-owned vehicles may be used for out-of state travel only if permission of the department head has been given prior to departure. If a state-owned vehicle is to be used to travel to a destination more than 500 miles from its usual location, documentation that this is the most cost-effective means of travel should be readily available in the department's travel reimbursement files.
- c. Unauthorized persons should not be transported in state vehicles. Approval of exceptions to this policy may be made by the Department Head if he determines that the unauthorized person is part of the official state business and the best interest of the state will be served and the passenger (or passenger's guardian) signs a hold harmless agreement form acknowledging the fact the state assumes no liability for any loss, injury, or death resulting from said travel.

- d. If a state vehicle is needed/requested to be brought to the home of a state employee overnight, then the agency/traveler should ensure it is in accordance with requirements outlined in R.S. 39:361-364.

## **2. Personally Owned Vehicles**

- a. When two or more persons travel in the same personally owned vehicle, only one charge will be allowed for the expense of the vehicle. The person claiming reimbursement shall report the names of the other passengers.
- b. A mileage allowance shall be authorized for travelers approved to use personally owned vehicles while conducting official state business. Mileage may be reimbursable on the basis of **no more than 51 cents** per mile and in accordance with the following:

For official in-state business travel:

- Employee should utilize a state vehicle when available
- Employee may rent a vehicle from the State's in-state, or when renting out-of-state, the state's out-of-state rental contracts, if a state vehicle is not available and travel exceeds 100 miles; or
- If an employee elects to use his/her personal vehicle, reimbursement may not exceed a maximum of 99 miles per round trip and/or day at **51 cents** per mile.

Please note that mileage is applicable for round trip (multiple days) and/or round trip (one day).

➤ **Examples**

1. If someone leaves Baton Rouge, travels to New Orleans and returns that same day, they are entitled to 99 miles maximum for that day trip if they choose to drive their personal vehicle.
2. If someone leaves Baton Rouge, travels to New Orleans, and returns two days later, they are entitled to 99 miles maximum for the entire trip if they choose to drive their personal vehicle.
3. If someone leaves Baton Rouge, travels to New Orleans then on to Lafayette, Shreveport, Monroe and returns to the office four days later, they are entitled to 99 miles maximum for the entire trip if they choose to drive their personal vehicle.

- c. Mileage shall be computed by one of the following options:
  1. On the basis of odometer readings from point of origin to point of return.
  2. By using a website mileage calculator or a published software package for calculating mileage such as Tripmaker, How Far Is It, MapQuest, etc. Employee is to print the page indicating mileage and attach it with his/her travel expense form.

- d. An employee shall never receive any benefits from not living in his/her official domicile. In computing reimbursable mileage, while the employee is on official state travel status, to an authorized travel destination from an employee's residence outside the official domicile, the employee is always to claim the lesser of the miles from their official domicile or from their residence. If an employee is leaving on a non-work day or leaving significantly before or after work hours, the department head may determine to pay the actual mileage from the employee's residence, not to exceed a maximum of 99 miles per round trip and/or day at **.51 cents per mile**. See examples, Section C.2.b.
- e. The Department Head or his/her designee may approve an authorization for routine travel for an employee who must travel in the course of performing his/her duties; this may include domicile travel if such is a regular and necessary part of the employee's duties, but not for attendance to infrequent or irregular meetings, etc. within the city limits where his/her office is located, the employee may be reimbursed for mileage only not to exceed a maximum of 99 miles per round trip and/or day at **51 cents per mile**. See examples, Section C.2.b.
- f. Reimbursements will be allowed on the basis of **51 cents per mile**, not to exceed a maximum of 99 miles per round trip and/or day, to travel between a common carrier/terminal and the employees point of departure, i.e. home, office, etc., whichever is appropriate and in the best interest of the state. See examples, Section C.2.b.
- g. When the use of a private-owned vehicle has been approved by the department head for out-of-state travel for the traveler's convenience, the traveler will be reimbursed for mileage on the basis of **51 cents per mile only**, not to exceed a maximum of 99 miles per round trip and/or day. If approval for reimbursement of actual mileage is requested and granted by the Commissioner of Administration, the total cost of the mileage reimbursement may never exceed the cost of a rental vehicle or the cost of travel by using the lowest logical airfare, obtained at least 14 days prior to the trip departure date, whichever is the lesser of the two. The reimbursement would be limited to one lowest logical airfare quote or one vehicle rental, not the number of persons traveling in the vehicle. The traveler is personally responsible for any other expenses in-route to and from destination which is inclusive of meals and lodging. If a traveler, at the request of the department, is asked to take his/her personally owned vehicle out-of-state for a purpose that will benefit the agency, then the Department Head may on a case-by-case basis determine to pay a traveler for all / part of in-route travel expenses, however, mileage reimbursement over 99 miles would still require the Commissioner of Administration's approval. In this case, once approval is obtained from the Commissioner of Administration to exceed 99 miles, then the department head may authorized actual mileage reimbursements. File should be justified accordingly.

- h. When a traveler is required to regularly use his/her personally owned vehicle for agency activities, the agency head may request authorization from the Commissioner of Administration for a lump sum allowance for transportation or reimbursement for transportation (mileage). Request for lump sum allowance must be accompanied by a detailed account of routine travel listing exact mileage for each such route and justification why a rental vehicle is not feasible. Miscellaneous travel must be justified by at least a three-month travel history to include a complete mileage log for all travel incurred, showing all points traveled to or from and the exact mileage. Request for lump sum allowance shall be granted for periods not to exceed one fiscal year. A centralized file must be kept containing all approvals.
- i. In all cases, the traveler shall be required to pay all operating expenses for his/her personal vehicle including fuel, repairs, and insurance.

The only exemption which would not require the Commissioner of Administration's approval for exceeding 99 miles reimbursement and receiving actual mileage reimbursements is for students which are traveling on a grant, scholarship, or any other occasion where use of the personal vehicle is the best and/or only method of transportation available. Department Head approval is required.

### **3. Rented Motor Vehicles (Receipts Required)**

Any rental vehicle not covered in the State's in-state or out-of-state contracts should be bid in accordance with proper purchasing rules and regulations.

- a. **In-State Vehicle Rental.** The State has contracted for all rentals based out of Louisiana through Enterprise Rent-A-Car's State Motor Pool Rental Contract, which use is mandatory, for business travel which applies to all State of Louisiana employees and/or authorized travelers, contractors, etc traveling on official state business.

A rental vehicle should be used, if a state owned vehicle is not available, for all travel over 99 miles. All exemptions must be requested and granted by the Commissioner of Administration for any reimbursements which exceed 99 miles. Requests for exemption must be accompanied by detailed explanation as to why a rental is not feasible. If an exemption from the program is granted by the Commissioner of Administration as stated above, then the employee will not be required to rent a vehicle and may receive actual mileage reimbursement up to .51 cents per mile.

Members of boards and commissions are required to utilize the State's vehicle rental contracts, both in-state and out-of-state, unless approval from the Commissioner of Administration is requested and granted. If approval is

granted, board and commission members may receive actual mileage reimbursement of no more than .51 cents per mile.

All state contractors, who have entered into a contract with the State of Louisiana on or after March 1, 2013, and whose contracts are required to follow PPM49 for travel reimbursements, are to utilize both in-state and out-of-state mandatory contracts awarded by the State.

Although exemptions may be granted, by the Commissioner of Administration, if exemption is approved, in any case, all must adhere to the current mileage reimbursement rate of no more than .51 cents per mile.

The only exemption which would not require the Commissioner of Administration's approval for exceeding 99 miles reimbursement and receiving actual mileage reimbursements is for students which are traveling on a grant, scholarship, or any other occasion where use of the personal vehicle is the best and/or only method of transportation available. Department Head approval is required.

For trips of 100 miles or more, any employee and/or authorized traveler, should use a state owned vehicle or rental vehicle from Enterprise Rent-A-Car State Motor Pool Rental Contract, when a state vehicle is not available. For trips of less than 100 miles employees should utilize a state vehicle when available, utilize their own vehicle and receive mileage reimbursement not to exceed a maximum of 99 miles per round trip and/or day at .51 cents per mile or may rent a vehicle from Enterprise Rent-A Car's State Motor Pool Rental Contract.

Reservations should not be made at an airport location for daily routine travel, as this will add unnecessary cost to your rental charges.

- b. **Payments** for rentals through the in-state Motor Pool Rental Contract may be made using the bLaCarteu purchasing card, an agency's CBA account, an employee's state corporate travel card or by direct bill to the agency. This will be an agency decision as to the form of payment chosen. If direct bill is chosen, agency must set up account billing information with Enterprise. An account may be established by contacting Joseph Rosenfeld at 225-445-7250, [joseph.g.rosenfeld@erac.com](mailto:joseph.g.rosenfeld@erac.com).
- c. **Out-of State Vehicle Rental-** The State has contracted for rental vehicles for domestic, and out-of-state travel, excluding Louisiana and international travel, utilizing the State of Louisiana's Out-of-State Contracts, which use is mandatory. All State of Louisiana employees and/or authorized travelers, contractors are mandated to use these contracts due to exceptional pricing which includes CDW (Collision Damage Waiver) and one million dollar

liability insurance. The State of Louisiana Out-of-State participating vendors include Enterprise Rent-A-Car, National Car Rental, and Hertz Car Rental Corporation. It is the traveler's discretion which rental company is utilized.

Members of boards and commissions are required to utilize the State's vehicle rental contracts, both in-state and out-of-state, unless approval from the Commissioner of Administration is requested and granted. If approval is granted, Board and commission members may receive actual mileage reimbursement of no more than .51 cents per mile.

All state contractors, who have entered into a contract with the State of Louisiana on or after March 1, 2013, and whose contracts are required to follow PPM49 for travel reimbursements, are required to utilize both in-state and out-of-state mandatory contracts awarded by the State.

Although exemptions may be granted, by the Commissioner of Administration, if exemption is approved, in any case, all must adhere to the current mileage reimbursement rate of no more than .51 cents per mile.

The only exemption which would not require the Commissioner of Administration's approval for exceeding 99 miles reimbursement and receiving actual mileage reimbursements is for students which are traveling on a grant, scholarship, or any other occasion where use of the personal vehicle is the best and/or only method of transportation. Department Head approval is required.

- d. **Payments** for rentals made through the State of Louisiana Out-of State Contracts may be made using the bLaCarteC purchasing card, an employee's corporate travel card or by direct bill to the agency. This will be an agency decision as to the form of payment chosen. If a direct bill account is chosen for Enterprise and National, you may contact Joseph Rosenfeld at 225-445-7250, [joseph.g.rosenfeld@erac.com](mailto:joseph.g.rosenfeld@erac.com) and for Hertz, you may contact Tami Vetter at 225-303-5973, [tvetter@hertz.com](mailto:tvetter@hertz.com)
- e. **Approvals**- Written approval of the Department Head or his/her designee prior to departure is required for the rental of vehicles, however, if your agency chooses, approval may be handled on an annual basis if duties require frequent rentals. Special approval is required, from the Department Head or his/her designee, for rental of any vehicle in the full size category and above.
- f. **Vehicle Rental Size**- Only the cost of a compact or intermediate model is reimbursable, unless:
  - 1. Non-availability is documented; or
  - 2. The vehicle will be used to transport more than two persons.

Note: When a larger vehicle is necessary as stated in number 1 above or a larger vehicle is necessary due to the number of persons being transported, the vehicle shall be upgraded only to the next smallest size and lowest price necessary to accommodate the        number of        persons traveling.

A Department Head or his/her designee may, on a case-by-case basis, authorize a larger sized vehicle provided detailed justification is made in the employee's file. Such justification could include, but is not limited to, specific medical requirements when supported by a doctor's recommendation.

- g. **Personal Use of Rental-** Personal use of a rental vehicle, when rented for official state business, is not allowed.
- h. **Gasoline (Receipts Required)-** Reimbursements require an original receipt and only regular unleaded gasoline, or diesel when applicable, should be used. This applies for both state owned vehicles and rental vehicles, as mid-grade, super, plus or premium gasoline is typically not necessary.

An employee should purchase gasoline with the State's Fuel Card or any other approved credit card at reasonable cost from a local gasoline station prior to returning the rental. Pre-paid Fuel Options, for rental vehicles, are only to be allowed with prior approval from the Department Head, when the traveler can document that the pre-purchased amount was necessary and that the amount charged by the rental company is reasonable in relation to local gasoline cost. Each agency/department shall familiarize itself with the existence of the fuel/repair contract(s), terms and conditions as well as locations of vendors.

- i. **Insurance for Vehicle rentals** Within the 50 United States: Insurance billed by car rental companies is not reimbursable. All insurance coverage for rental vehicles, other than the State's in-state and out-of-state mandatory contracts is provided by the Office of Risk Management. Should a collision occur while on official state business, the accident should immediately be reported to the Office of Risk Management and rental company.

Any damage involving a third party must be reported to appropriate law enforcement entity to have a police report generated.

CDW/Damage Waiver insurance and \$1 Million Liability Protection Coverage is included in the State's in-state and out-of-state rental contract pricing.

Note: Lost Keys for rental vehicles are not covered under the damage waiver policy and are very costly. The agency should establish an internal procedure regarding liability of costs.

NO OTHER INSURANCE WILL BE REIMBURSED WHEN RENTING, EXCEPT WHEN RENTING OUTSIDE THE 50 UNITED STATES, SEE SECTION 1504. C.3.j. There should be no other charges added to the base price, unless the traveler reserves the vehicle at an airport location (which is NOT recommended for daily routine travel). Reimbursable amounts would then be submitted at the end of the trip on a travel expense form.

- j. **Insurance for Vehicles Rentals Outside** the 50 United States (Receipts Required) The Office of Risk management (ORM) recommends that the appropriate insurance (liability and physical damage) provided through the car rental company be purchased when the traveler is renting a vehicle outside the 50 United States. With the approval of the Department Head or his/her designee required insurance costs may be reimbursed for travel outside the 50 United States only.
  - 1. The following are insurance package available by rental vehicle companies which are reimbursable:
    - a. Collision Damage Waiver (CDW)- should a collision occur while on official state business, the cost of the deductible should be paid by the traveler and submit a reimbursement claimed on a travel expense form. The accident should also be reported to the Office of Risk Management.
    - b. Loss Damage Waiver (LDW)
    - c. Auto tow Protection (ATP) \*approval of Department Head.
    - d. Supplementary Liability Insurance (SLI) \* if required by the rental company.
    - e. Theft and/or Super Theft Protection (coverage of contents lost during a theft or fire), \* if required by the car rental company.
    - f. Vehicle coverage for attempted theft or partial damage due to fire, \*if required by the car rental company.
  - 2. The following are some of the insurance packages available by rental vehicle companies that **are not reimbursable**.
    - a. Personal Accident Coverage Insurance (PAC).
    - b. Emergency Sickness Protection (ESP).
- k. **Navigation Equipment (GPS System)** rented, not purchased, from a rental car company, may only be reimbursed if an employee justifies the need for such equipment and with prior approval of the Department Head or his/her designee.

#### **D. Public Ground Transportation**

The cost of public ground transportation such as buses, subways, airport shuttle/limousines, and taxis are reimbursable when the expenses are incurred as part of approved state travel. See receipt requirements below.

Airport shuttle limousines, taxis and all other public transportation where a receipt is available, requires a receipt for reimbursements. A driver's tip for shuttle/limousines and taxis may be given and must not exceed 15% of total charge. Amount of tip must be included on receipt received from driver/company.

All other forms of public ground transportation, where a receipt is not possible and other than those listed above, are limited to \$15 per day without a receipt, claims in excess of \$15 per day requires a receipt. At the agency's discretion, the Department Head may implement an agency wide policy requiring receipts for all public transportation request less than \$15 per day.

To assist agencies with verification of taxi fares, you may contact the taxi company for an estimate or visit sites such as [taxifarefinder.com](http://taxifarefinder.com). An employee should always get approval, prior to a trip, if multiple taxis will be used; as it may be in the agency's best interest to rent a vehicle versus reimbursement of multiple taxi expenses.

#### **S1505 STATE ISSUED TRAVEL CREDIT CARDS/CBA ACCOUNTS**

##### **A. Use**

The State Travel Office contracts for an official state corporate travel card to form one source of payment for travel. If a supervisor recommends an employee be issued a state travel card, the employee should complete an application through their agency travel program administrator.

1. The employee's corporate travel card is for **official state travel business purposes only**. Personal use on the travel card shall result in disciplinary action.

##### **B. Liability**

1. The Corporate travel card is the liability of the State. Each monthly statement balance is due in full to the card-issuing bank. The State will have no tolerance to assist those employees who abuse their travel card privileges.
2. The Department/Agency is responsible for cancellation of Corporate Travel Cards for those employees terminating/retiring from state service.

## **S1506 LODGING AND MEALS**

### **A. Eligibility**

1. **Official Domicile/Temporary Assignment-** Travelers are eligible to receive reimbursement for travel only when away from rofficial domicilet or on temporary assignment unless exemption is granted in accordance with these regulations. Temporary assignment will be deemed to have ceased after a period of thirty consecutive calendar days, and after such period the place of assignment shall be deemed to be his/her official domicile. He/she shall not be allowed travel and subsistence unless permission to extend the thirty day period has been previously secured from the Commissioner of Administration.

2. **Extended Stays**

For travel assignments approved by the Commissioner of Administration involving duty for extended periods (31 or more consecutive days) at a fix location, the reimbursement rates indicated should be adjusted downward whenever possible. Claims for meals and lodging may be reported on a per diem basis supported by lodging receipt. Care should be exercised to prevent allowing rates in excess of those required to meet the necessary authorized subsistence expenses. It is the responsibility of each agency head to authorize only such travel allowance as are justified by the circumstances affecting the travel.

The only exemption, for travel of 31 days or more, which does not require the Commissioner of Administration's approval, are students, professors or other state employees which are traveling on a grant, scholarship, studying aboard or any other occasion where funds utilized are other than state general funds. Department Head approval is required.

3. **Single Day Travel** Meals are not eligible for reimbursements on single day travel. This means that when an authorized traveler of the State is in travel status where no overnight stay is required, no meals are eligible for reimbursement. However, the Department Head will be allowed to authorize Single Day Meal reimbursement on a case-by-case basis or by types(s) of single day travel when it is determined to be in the best interest of the department. In those cases the department must keep the approvals in the travel file and **must be responsible** to take appropriate steps to report the reimbursement as wages to the employee. Each Department Head or their designees are to determine the reasonableness of when an overnight stay is justified.

If a Department Head or his/her designee determines that Single Day Meals will be provided for, they must adhere the following allowances: To receive any meal reimbursement on single day travel, an employee must be in travel status for a minimum of 12 hours. The maximum allowance for meal reimbursement for single day travel will be \$37.00.

- a. **Breakfast & Lunch:** (\$22.00) the 12 hours travel duration must begin at or before 6:00 a.m.
  - b. **Lunch:** (\$13.00) Requires 12 hours duration in travel status.
  - c. **Lunch & Dinner:** (\$37.00) The 12 hour travel duration must end at or after 8:00 p.m.
4. **Travel with Over Night Stay:** (minimum of 12 hours in travel status) Travelers may be reimbursed for meals according to the following schedule.
- a. **Breakfast:** When travel begins at/or before 6 a.m. on the first day of travel or extends at/or beyond 9 a.m. on the last day of travel, and for any intervening days.
  - b. **Lunch:** When travel begins at/or before 10 a.m. on the first day of travel or extends at/or beyond 2 p.m. on the last day of travel, and for any intervening days.
  - c. **Dinner:** When travel begins at/or before 4 p.m. on the first day of travel or extends at/or beyond 8 p.m. on the last day of travel, and for any intervening days.
5. **Alcohol:** Reimbursement for alcohol is prohibited.

## **B. Exceptions**

1. **Routine Lodging Overage Allowances (Receipts required):** Department Head or his/her designee has the authority to approve actual costs for routine lodging provision on a case by case basis, not to exceed fifty percent over PPM49 current listed rates. (Note: this authority for increase in allowance is for lodging only and not for any other area of PPM49). Justification must be maintained in the file to show that attempts were made with hotels in the area to receive the state/best rate.

In areas where the Governor has declared an emergency, a Department Head or his/her designee will have the authority to approve actual routine lodging provisions on a case by case basis not to exceed **seventy-five** percent over PPM49 current listed rates. Each case must be fully documented as to necessity (e.g. proximity to meeting place) and cost effectiveness of alternative options. Documentation must be readily available in department's travel reimbursement files.

2. **Actual Expenses for State Officers (Itemized receipts or other supporting documents are required for each item claimed).** State officers and others so authorized by statute (See definition under State Officer) or individual exception will be reimbursed on an actual expenses basis, for meals and lodging except in cases where other provisions for reimbursement have been made by statute. Request shall not be extravagant and will be reasonable in relation to the purpose of travel. State officers entitled to actual expenses reimbursement are only exempt from meals and lodging rates; they are subject to the time frames and all other requirements as listed in these travel regulations.

**C. Meals and Lodging Allowances (MEAL RATES ARE NOT A PER DIEM ONLY THE MAXIMUM ALLOWED WHILE IN TRAVEL STATUS)**

1. **Meal Allowance-** Includes Tax and TipsI Receipts are not required for routine meals within these allowances, unless a cash advance was received. See Section 1503.B.2 Number of meals claimed must be shown on travel expense form. For meal rates, the inclusion of suburbs (see definition of suburb) shall be determined by the Department Head or his/her designee on a case-by case basis. **See tier pricing below. Partial meals such as continental breakfast or airline meals are not considered meals.** Note: If a meal is included in a conference schedule, it is part of the registration fee, therefore, an employee cannot request/receive additional reimbursement for that meal. If meals of state officials receiving actual expenses exceed these allowances, itemized receipts are required. See Section 1506.B.2.
2. Meals with relative or friends may not be reimbursed unless the host can substantiate costs for providing for the traveler. The reimbursement amount will not automatically be the meal cost for that area, but rather the actual cost of the meal. Example: The host would have to show proof of the cost of extra food, etc. Cost shall never exceed the allowed meal rate listed for that area.
3. **Routine Lodging Allowance-** Employees will be reimbursed lodging rate, **plus** tax and any mandatory surcharge. (Receipts are required) For lodging rates, the inclusion of suburbs (see definition of suburb), shall be determined by the Department Head or his/her designee on a case-by-case basis. Employees should always attempt to use the tax exempt form located on the State Travel Office website <http://www.doa.louisiana.gov/osp/travel/forms/hoteltaxexemption.pdf> When traveling in-state on official state business, and must be used if hotel expenses are being charged to employee's State Corporate Travel Card, the State's LaCarte Card, or the agency's CBA account. When two or more employees on official state business share a lodging room, the State will reimburse the actual cost of the room; subject to a maximum amount allowed for an individual traveler times the number of employees.
4. Lodging with relatives or friends may not be reimbursed unless the host can substantiate costs for accommodating the traveler. The amount will not automatically be the lodging cost for that area, but rather the actual cost of accommodations. Example: The host would have to show proof of the cost of extra water, electricity, etc. Cost shall never exceed the allowed routine lodging rate listed for that area. Department Head or his/her designee's approval must be provided to allow lodging expenses to be direct billed to an agency.
5. **Conference Lodging Allowance-** Employees may be reimbursed lodging rate, plus tax (other than State of Louisiana tax) and any mandatory surcharge. (Receipts are required) Department Head or his/her designee has the authority to approve the actual cost of conference lodging, for a single occupancy, standard room, when the traveler is staying at the designated conference hotel. If there are multiple designated

conference hotels, the lower cost designated conference hotel should be utilized, if available. In the event the designated conference hotel(s) have no room availability, a Department Head or its designee may approve to pay actual hotel cost not to exceed the conference lodging rates for other hotels in the immediate vicinity of the conference hotel. This allowance does not include Agency Hosted Conference Lodging Allowances; (see section 1510) for these allowances. In the event a traveler chooses to stay at a hotel which is not associated with the conference, then the traveler is subject to making reservation and getting reimbursed within the hotel rates allowed in routine lodging only, as listed below.

6. No reimbursements are allowed for functions not relating to a conference, i.e. tours, dances, golf tournaments, etc.

Documentation required to receive the contract price is the airport certificate and a State ID. If the agency does not issue a State ID, the traveler would need a business card and a driver's license along with the certificate to be eligible for the state contracted rate. Airport certificate may be found on State Travel Office's website at: <http://www.doa.louisiana.gov/osp/travel/parking/BRairport.pdf>. At the agency discretion an employee may be paid actual expenses up to \$5.00 per day with a receipt.

- C.** It is the agency's decision, if justification is given, to allow state employees to be reimbursed for a VISA and/or Immunizations when the traveler is traveling on behalf of the agency/university on official state business. ## Tips When Making Hotel Reservations and Checking Into Hotels.

When making reservations at a hotel, please ask for the best rate available. In some cases a special discounted rate may be less than your conference rate, a negotiated rate or the government rate. Often a hotel offer special rates to increase their occupancy over a specific period of dates. If no specials are available, then ask for the government rate, as a secondary question.

When considering several rates from the same hotel, over the same period of dates, be sure to consider what each rate includes (complimentary breakfast, free local phone calls, complimentary internet, etc.) to make sure you are getting the best overall value.

When making reservations, research to assure your expectations are met regarding the hotel's location and surrounding area, as it relates to perceived safety. Remember you may never exceed the allowable rates listed in PPM49 without prior approvals.

Reservations guaranteed with a credit card, requires that the hotel hold the room until you arrive, no matter what time. It also means that if you don't cancel according to the hotel's policy, you will be charged for one night's stay. Make sure you know the hotel's cancellation policy and adhere appropriately. Please keep in mind that the cancellation timeframe policies are stated in the time zone of the hotel, NOT your time zone.

For your convenience, the hotel address and phone number are provided on your reservation confirmation.

Please **review and initial** your room rate at the front desk, during your check in process. Confirmation numbers are proof of reservation. Provide this number to the front desk clerk, upon check-in.

Don't forget to bring a tax exempt form, and a copy of your travel authorization form and be prepared to present it to the front desk, to avoid paying sales tax.

## AIRFARE INSTRUCTIONS

### **USE OF THE STATE CONTRACTED TRAVEL AGENCY - SHORT'S TRAVEL MANAGEMENT IS MANDATORY FOR ALL AIRFARES!!**

### **NOTE: HOWEVER, WHEN USING SHORT'S TRAVEL MANAGEMENT - YOU HAVE OPTIONS FOR THE TYPE OF AIRFARE TICKET PURCHASED.**

This office strongly encourages use of lowest logical airfares. You should ask the contracted travel agency to check for the lowest logical rates based on your personal needs as well as ask if there are other refundable airfares available.

The State always supports purchasing the "**best value**" ticket. Therefore, once all rates are received, the traveler must compare cost and options to determine which fare would be the "**best value**" for their trip. To make this determination, the traveler must ask the question: Is there a likely-hood my itinerary could change or be cancelled? Depending on the response, you must determine if the costs associated with changing a non-refundable ticket (usually around \$200) would still be the best value.

Another factor to assist having the state's contracted travel agent search the lowest fare is being able to advise the agent if you are flexible in either your dates or time of travel. By informing the contracted travel agent of your "window of time" for your departure and return will assist them to search for the best price. Travelers are to seek airfares allowing an ample amount of lead time prior to departure date. The lead-time should be about (10) ten to (14) fourteen days in advance of travel dates to ensure the lowest fares are available. Generally, the earlier a ticket is purchased, provides for lower airfares.

### **2. THE TRANSACTION FEE FOR FISCAL YEAR 2013-2014 WILL BE \$24.00, WHICH IS NOT REFUNDABLE.**

**3. REMEMBER:** A ticket is not purchased until you confirm your reservation with a credit card! Until payment is confirmed with our travel agency, there will not be an electronic ticket issued at the airport. **Please Note:** When you ask the travel agent to hold a specific flight that means the seat is being held, not the price of the ticket, the price can change at any time.

Many travelers contact the travel agency to inquire about travel arrangements. If you select specific flights and dates (an itinerary) and ask the travel agent to hold that itinerary, a ticket is still not purchased. You must give specific instructions to purchase the ticket and receive a receipt which contains a ticket number to confirm that a ticket has been issued in your name.

Before purchasing an airline ticket, please confirm that your itinerary is correct, make sure that the spelling of your name on the itinerary/ticket is the same as on your driver's license and passport, check dates, times, fares, services, etc.

### **IF THE STATE'S CONTRACTED TRAVEL AGENT DOES NOT OFFER YOU OPTIONS ----- ASK!**

## Airfare Cancellations and Unused Ticket Use

Travelers must cancel the reservation 24 hours before departure to avoid suspension of unused ticket. If the ticket is not cancelled and becomes suspended, some airlines may allow it to be reopened, but there is an airline fee to do so. Once cancelled the traveler should retain the invoice/receipt sent upon completion of original purchase. This receipt has the original ticket number which will be needed to process the new reservation and use of the unused ticket. Unused tickets are valid one year from date of original purchase and carrier may require travel be completed one year from date of original purchase. Simply communicate to your agent at the time of the new reservation that you have an unused ticket along with the ticket number (information on report, if unknown by traveler) so that you may get credit for the unused portion.

Airlines will charge a reissue fee which can vary by air carrier. The current standard domestic fee with most major carriers is \$200.00, international \$250.00. However, penalty fees vary based on carrier and destination. This reissue fee will be assessed along with any new fare amount higher than the original purchase price. The agent will quote all fees associated when new reservation is made.

Tickets which are unused by a traveler should always be monitored by the traveler and the agency. Traveler should ensure that any unused ticket is considered when planning future travel arrangements. Some airlines have a policy which would allow for a name change to another employee within the agency. A view of the latest airline policies regarding unused tickets are available at the State Travel Office's website:
