Title: TRAFFIC STOP/ ARREST/RESISTING
Date Entered: 12/06/2017

Report Type: I

Officers were patrolling the area of White and JW Davis when they observed a grey lincoln parked blocking the sidewalk and partially on the roadway. Officers initiated a traffic stop on the vehicle (LA:736AFR), and made contact with a Kentdrick Ratliff and Brandon Brown. Brandon advised that he did not have an ID but gave the correct information. Brandon was found to have several warrants with HPD and TPSO. Brandon was placed in custody(DL, FS), and placed in the rear of Ofc. Gautier's Unit. While speaking with Ratliff, Ofc. Gautier received verbal consent to search his vehicle. In the search Ofc Gautier found several pill bottles in the driver's door which were within Ratliff's immediate control. Upon inspecting the contents of the bottles it was learned that they contained Xanax, Marijuana and a Legend Drug. These medicine bottles had no label on them and officers were unable to locate a prescription nor was Ratliff able to provide one. Ratliff was placed in custody(DL, FS) for the marijuana and pills found inside the pill bottles and placed in the rear of Ofc. Gautier's Unit. Both subjects were transported to HPD where they were given their rights.

Ofc. Gautier then escorted Brandon to the jail without incident.

Ofc. Dunn and Sgt E Bergeron were completing paperwork when Ratliff was moving around and would not sit still. Shortly after, Ratliff stood up and jumped onto the computer table grabbing a pill bottle with the Xanax attempting to destroy the evidence collected in reference to the arrest. Sgt E Bergeron grabbed Ratliff attempting to control him, but was unable to do so. Ofc. Dunn grabbed Ratliff's hand and pill bottle attempting to break his grasp and secure the evidence. Off balance, Ratliff fell through the desk and onto the computers and monitors causing damage to the computer desk and computers. Ofc. Dunn was still attempting to gain control of the evidence and Sgt E Bergeron was attempting to stun him using hard empty hand strikes. While under the table he forced his right hand out of a restraint and continued to attempt to swallow the evidence. Ofc. Dunn then attempted again to stun him while under the desk which was ineffective. Ofc. Dunn then called the jail and advised of Ratliff's violent actions. Ofc. Dunn then attempted to restrain his head and control Ratliff which was only partially effective. Ofc. Dunn pulled Ratliff from under the table at which point Ratliff then rolled on top of Ofc. Dunn reaching for Ofc. Dunn's handgun pulling on the grip and holster. Ofc. Dunn quickly controlled his hand and held Ratliff until Ofc. Gautier and C/O S. Tabor came downstairs. Ofc. Dunn was still holding Ratliff when Tabor tased him in the lower back then a follow up contact in the left leg which was partially effective. Ofc. Gautier was able to control his right arm. Ofc. Dunn then released the control of his head and began to control his left arm. Ofc. Dunn and Gautier was able to place him in custody again. Ratliff decided, after fighting and restrained again, to kick and spit at Officers. Officers then relocated him to the front to be evaluated by Acadian.

Acadian arrived on scene and advised that he needed to be transported to NOMC. All Evidence that was found in the booking room was logged in the evidence and sent to LSP crime lab.

Ratliff was sent to NOMC and released with minor injuries. Ratliff was then transported back to HPD where he was booked accordingly. No further.

Incident No: 2017027047

Title: FBI REQUEST FOR VIDEO RECORDINGS

Report Type: S

Date Entered: 4/11/2018

On Tuesday, April 10, 2018@2PM, Chief James W. Stewart met with FBI special Agent, J.R. Smith of the New Orleans Division (504-816-3000) who requested a copy of the police report and all video associated with the incident.

On Wednesday, April 11, 2018@1:30PM, Chief Stewart complied and forwarded an electronic copy of the arrest report and the video footage from the booking room to their office via US Mail.

A letter to the FBI complying with the request is attached to this item number.
