To Whom It May Concern:

As Supervisor of Special Education, I have had to seek out professional assistance in the areas of providing compensatory services, advisory panel development, and other newly mandated services for students with disabilities due to COVID. Services had to be streamlined and all had to meet the state and federal guidelines and also meet requests of OCR.

SPED Strategies has been the only company I can contract with that will come to the parish and provide direct services to the staff and hold parent meetings when needed. Jamie Wong and her staff are on call at all times and have provided excellent services for the SPED Department of Sabine Parish School District.

Sincerely,

Jamie Kelly
Supervisor of Special Education
