

DONALD J. TRUMP
PRESIDENT OF THE UNITED STATES

August 29, 2025

~~Mr. Aswell~~

Will you accept my invitation to join one of my favorite organizations? I'm talking about conservative AMAC – the Association of Mature American Citizens.

AMAC loves America as much as I do. They're the conservative answer to those other senior groups who've been throwing us under the bus for decades by supporting leftist policies.

Maybe you didn't know they did that. They hide it so well, those Leftists.

Other seniors' groups, who I'm sure you know, pushed through disastrous legislation such as ObamaCare, even though most seniors didn't want it... they supported Joe Biden's terrible bill, the "Inflation Reduction Act" ...and they even threatened to sue me when I tried to make changes to ObamaCare.

Mr. Aswell, some people just join the WRONG groups.

I hope you'll join the right conservative AMAC because they believe in freedom, patriotism, limited government, a strong military, and faith in God.

Like you and me, they believe America is the greatest nation on earth.

But they are a fraction of the size of the leftist lobby. I dream big. And my big dream today is to grow the AMAC membership so huge that the leftist lobby of those other senior groups looks *tiny* when we're done.

That means growing AMAC massively in the next year!

Please read the enclosed letter from AMAC's CEO Rebecca Weber and help us Make America Great Again by supporting this GREAT group.

Mr. Aswell, God bless you and your family and God bless America.

Sincerely,

Association of Mature American Citizens

Better for You. Better for America.
